- Burton:** He doesn't realize it yet, but in just nine days, he will be moving into the new enclosure, and it will be the largest he has ever been in (2,000 sq. ft.)!!!
- Tecumseh:** Now ten months old, and will be moving into Burton's old enclosure.

NEWS FLASH!!!

THE NEW ENCLOSURE IS DONE!!!! Thanks to all those who helped. Saturday evening, June 18, 1999, at 4:00pm, we will be having our "ribbon cutting" ceremony for the new enclosure and we will be letting Burton into it for the first time, so bring your cameras!!!

In case you weren't aware, on Sunday, June 6, 1999, the Charleston Gazette featured an article about our sanctuary. It was very well done and we've had excellent response. The article went Associated Press and also appeared in the Fairmont Times and on WV Public Radio.

In about a week, we will also be featured in the Appalachain Voice News Paper/Magazine which has a circulation of about 60,000 readers.

Recently, we were unable to rescue two unwanted cougars, due to lack of funding, so remember, all donations are tax deductible, and any financial help will be greatly appreciated.

SPECIAL THANKS GOES OUT TO RACHEL HEADLEY, CINDY MULLENS, AND DEE PATERNO FOR THEIR RECENT DONATIONS. WE COULDN'T HAVE DONE IT WITHOUT YOU!!
